So, what are you waiting for? Begin your analysis adventure today with electronic La Mucca Ediz Illustrata book downloads. With a lot of titles and styles to select from, the opportunities are limitless. Satisfied analysis!

## **REVIEW OF LA MUCCA EDIZ ILLUSTRATA**

- I wasn't far into this book when I realized the writing didn't even seem like it was Auels. My interest was perked finally when Ayla was tricked into wearing boys underwear, I thought "ok, now the story is going to take off." Marona? was never mentioned much again. I kept waiting for her to make trouble. I liked the story of Ayla helping the starving baby. The summer meeting was boring, the wedding was boring, the birth was boring. Ayla didn't even have to cook, every meal was supplied by that lady who loved to organize parties. I had so much anticipation as I read... would Durc somehow arrive, would there be a confrontation with area

Clan, would she make any new clothes to replace the traveling ones, would she get a tattoo, become zelandonni, would the drunk cause her trouble, or the mixed spirit man who hated her, why didn't everyone find out about Durc since this was such an issue in the other books? Even Zelandonni hinted that Ayla was going to cause trouble, I wish she had! I feel bad even writing this, I wanted so much for this book to be excellent.

- Auel fans will not be disappointed. Ayla is again brought to life in vivid detail, as well as the beloved characters of Jondalar, Whinney, Racer and Wolf. In this book we meet Zelandoni, Jondalar's former lover, who delves into the mystery of Ayla and what her ultimate destiny will be. The spiritual journey of Ayla is foreshadowed eloquently in this book. There are many moving moments and you'll have to keep reminding yourself that this is a work of fiction.
