## REVIEW OF PHARMACEUTICS 1 RM MEHTA

- My grandson is 2 years old and he loves thes books. The illustrations are fun and colorful and the verses rhyme and are catchy. After I read one of the books to him he sits down and "reads" it to himself, explaining the pictures.
- The cold war sucked, you then got this. Thanks for nothing all those electing senile bad actors to be in charge of scary nuclear arsenals. Horrifying and poignant tale of the effects of a nuclear exchange, done this way so children would understand to. A pointed anti-war message aimed at the idiot politicians of the time.
