## **REVIEW OF T MOBILE MYTOUCH LG USER GUIDE**

- i thought this would be more of a biography... it is pages of very short thoughts to get you thinking.
- Every time I read this book, I wonder why they couldn't make it

into a multi-week series, like "Lonesome Dove" or "Gettysburg." I think the Hollywood movies on Tom Clancy's books (not including Hunt for Red October) have gotten ridiculously far from the plotlines, and I don't even bother with them. But something

made as a series would work. "Without Remorse" would be another great one for that format. This is an excellent book, it's a non-Jack Ryan book, and it moves right along. I wish it were another 200 pages longer. It's that good.
