## REVIEW OF WORKSHOP MANUAL FOR MERLO TELEHANDLER

- I saw the movie GWTW as a kid, but the memory faded over time. I never thought to read the book, but took it out of the library on audio CD. What a wonderful, memorable, amazing book. Scarlett, Wrett, Ashley and Melanie are extraordinary portraits, and anyone interested in US history will find much to enjoy with the story set against the Civil War. Linda Stephens audio CD narration is spot-on, painting a nuanced compelling portrait of the characters and story. So worth going beyond the film!

- This book is excellent for learning Kanji, but you'll need the Kana de Manga to be able to read all the hiragana and katakana throughout the book. Easy to follow!
