## REVIEW OF INTERNATIONAL BUSINESS ENVIRONMENTS AND OPERATIONS 12TH EDITION

- I have used this cookbook for years. I now have started making these cookies with my grandchildren. My granddaughter asked if she could have the cookbook some day. I was so excited when I found it on line. I will be giving it to her for her birthday later this month.
- Sacred Smoke: The Ancient Art Of Smudging For Modern Times by Harvest McCampbell (who began her studies of herbs, smudging, and ritual with her Iroquois Onondaga Oswegatchie grandmother) is an informative and informed, step-by-step, "user friendly" guide to the spiritual practice of burning herbs, as undertaken by Native Americans for generations. A deeply respectful accounting of this enlightening and meditative practice, Sacred Smoke is a unique and enthusiastically recommended contribution to Native Am-erican Studies reference collections and Metaphysical Studies reading lists.
