You can locate them on blog sites, podcasts, and even social media groups.

With these tips, you can locate the appropriate Kpmg Interview Questions And Answers publication recaps for your interests and choices. Delighted analysis!

## REVIEW OF KPMG INTERVIEW QUESTIONS AND ANSWERS

- Bleedin' shame nobody has bothered to review this book (as of my writing); it's one of the best books about Saudi Arabia (and Bedouin culture) I've ever read, though it is light reading. Vintage marketed this book (now out of print, it seems) as "international travel," which seems to me a pretty dubious classification when you read what I say below, although since the guy spends most of his time wandering around a foreign country I guess I understand their reasons. But it's really a kooky adventure story . . . The plot is as follows: Walker (an on-again, off-again ESL teacher in Saudi Arabia during the boom years of the 70s and 80s), has heard many times from his students about the custom of "sexual hospitality" as practiced in some regions of Saudi Arabia, such as in the Asir (just north of Yemen). The idea of such a custom is that travelers (even "kuffar," non-believers) who are visiting into certain villages are put up in a house for three days and nights, no questions asked. Perks supposedly include bed, breakfast, and THE SERVICES OF A FEMALE. Anthropologists (and many Arabists) swear the custom was not a myth -- up until about the 1960s, when television helped to unify the country's mores, bringing them more in line with those of Riyadh. Naturally such a free-love custom is directly contrary to Wahhabi Islam, of course. Anyhow, Walker, the narrator, has been hearing about this custom for years. His students from the Asir (privately) swear to him it's not a myth, and students from other areas of the Kingdom angrily deny that such a custom ever (or could currently) exist. Well, on his last tour in KSA, Walker resolves to make an odyssey from Jedda down to the Asir, ostensibly to visit a former student but really to see if he can work himself into a situation where he is a recipient of this fabled "sexual hospitality." In other words, he spends the book basically trying to get a free ride on a Saudi chick. Well, I won't tell you how it ends, but that plot line is what Walker uses to hang his observations about the Kingdom, about Arabs, Muslims, Saudis, and the rapid modernization of their world -- and what it is like for a Westerner to live and travel there. Most of the books about Saudi Arabia are either about how the Kingdom supports terror, about the coming revolution, about the oil wealth, etc. Not this one. It's witty, amusing, and incredibly well-written. What Walker was doing spending his time as an ESL teacher is beyond me. It's neither overly-sympathetic to the Saudis, nor uselessly over-critical. In fine, a balanced, insightful, and deftly-written book.

- Nowhere in the description of this item or in the book itself does it mention that this is an abridged book with a number of plot resolving sections omitted. Amazon - you must state in the listing for these "Enriched Classics" books that they are abridged and therefore are useless as school books, etc. Very misleading by the publisher!
