#### **REVIEW OF CITROEN C8 SERVICE**

- Vincent Rubio is a down on his luck Los Angeles detective. Creditors are knocking on his door, he's mourning the death of his beloved partner and fighting an addiction to basil...Vincent Rubio is a velociraptor disguised as a human. I have to admit when I saw this book in my local bookstore I was both intrigued and skeptical. A secret society of dinosaurs living among humans?!? C'mon. But Eric Garcia pulls this unique concept off convincingly with wit, charm and sly humor, at the same time giving us a highly original, genuine detective story that you won't be able to put down!!

- I really liked the book I absolutely could not put it down I felt compelled to find out what happened next. He painted a picture of what life was on the street and it felt like you were going through the story with the characters.
