Avalon has always felt different and alone. The ocean, along with the friends

she's made under the water, is the only constant in her life. She comforts herself with the notion that alone is at least safe. There's no one to hide her extraordinary abilities from, to hide her dreams of living beneath the crashing waves forever. Then Xander comes for her, reluctantly, judging by his snarly attitude. But, attitude aside, he draws her into a fantasy world, one filled with family and friendship and ... the home she's always craved. He gives her the smallest glimpse of perfection, only to then inform her that it's not a world she can have. Political issues in Royale will make her time there temporary. Her time in Royale and with Xander. She will stay until the very end, though. If there's one thing that she's determined to prevent, it's Laous getting his hands on the starslight stone. A stone which is keeping two worlds alive and functioning. A happily ever after might not be in the cards for her, but she's determined to make it happen for her friends. Even if it's the last thing she does.

The epic conclusion to the Shadow Beast Shifters. I finally have the life I always dreamed of. So why does it taste like ash on my tongue? Growing up in Torma, the strongest of the shifter packs, I wanted nothing more than to find my true mate and live my best life. Of course, that dream existed before my father betrayed the pack and turned me into their punching bag. I'd all but given up, until a quirk of true mate genetics gifted me a true mate like no other. My childhood dreams were finally a reality. Funny how quickly dreams turn into nightmares. I'm being lied to, missing weeks and months of time. Someone messed with me and no matter how often I'm told to forget it and move on as Torin's mate, there's no way I can. Whoever did this to me should have known I'd pick at it until it bled. It's my nature after all. As I search out random growls, flutters in my chest, and a suspicion that there's so much more going on than I could even imagine, I sense that I'm racing against an unknown clock. I need to get to the bottom of this mystery. And when I figure out who stole my memories, they're going to wish they never messed with Mera Callahan. Game on. -If you like sexy, dark paranormal romances, with humor, steam, action, a tough heroine and an antihero, this is for you.

The stories included in this collection are as follows: *A Haunted House*; *A Society*; *Monday or Tuesday*; *An Unwritten Novel*; *The String Quartet*; *Blue and Green*; *Kew Gardens*; and, *The Mark on the Wall*.

Shadow Beast Shifters 3 House of DarkenWhen Emma moves to Astoria, Oregon, she is given one rule: #1 - Don't cross to "their" side of the street. From USA Today Bestselling Author, Jaymin Eve, comes a new chapter in the Supernatural Prison World ... Maximus Compass is a vampire without direction. Without heart. And without soul. He lost his true mate in the great battle against the dragon king, and now must face life alone. And yet ... something is happening to his agony. It's fading away, leaving him with barely a memory of the female he believed to be his one and only. As his mind clears he starts to wonder if the mate bond had been nothing more than a manufactured ploy? This suspicion explodes within him right around the time he runs back into a

certain wolf shifter. Mischa Lebron is a complication he doesn't need in his life. He can't erase her from his mind though, and while memories of his supposed true mate continue to fade into mere shadows, his one night with Mischa is blazingly strong. When an old threat rips apart their pack, Maximus will come to realize that he would do anything to save Mischa. That the mate he thought was perfect and precious was nothing on the shifter he walked away from. Now Maximus truly has everything to lose. #### The Complete Series Tor Teen

Described by Virginia Woolf herself as 'easily the best of my books', and by her husband Leonard as a 'masterpiece', *To the Lighthouse*, first published in 1927, is one of the milestones of Modernism. Set on the Isle of Skye, over a decade spanning the First World War, the narrative centres on the Ramsay family, and is framed by Mrs Ramsay's promise to take a trip to the lighthouse the next day - a promise which isn't to be fulfilled for a decade. Flowing from character to character and from year to year, the novel paints a moving portrait of love, loss and perception. Bearing all the hallmarks of Woolf's prose, with her delicate handling of the complexities of human relationships, *To the Lighthouse* has earned its reputation - frequently appearing in lists of the best novels of the twentieth century, it has lost not an

iota of brilliance.

#### Dark Companion Bookouture

This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

## **REVIEW OF HOUSE OF DARKEN SECRET KEEPERS SERIES BOOK 1**

- I've read this book at least 5 times, and I'm still not willing to let it go. I recommend this to anyone who always thought about writing, but never did because they felt they didn't have a talent for it. Brenda Ueland proves that such thoughts just aren't true, that everyone has originality and talent. She also explains why 'constructive criticism' isn't really constructive at ALL. But this book isn't just a motivational tool - she also includes helpful suggestions for readers to actually get started on their writing. So if you want to write, but don't know how to get started, get this book - and go for it :)

- This book will rocked my world. I found it challenging in its call to love without judgment. Drawn partly from the writings of Dietrich Bonhoeffer, it is rich in insight and powerful in its call for us to desist from practicing religion and enter into relationship. A worthy read!
