REVIEW OF M D DAYAL SOLUTION

- I find I agree with reviewer Sarafin. This book has many production errors that should have been caught at the publisher. Apparently mine is from the same print run as it has the identical errors. Nothing terribly new here, but it's a good basic overview of things to know when you're considering carrying.

- this book is amazing. I love this author his stories are so personal and keep you right in the story. Each story has a moral or thought that helps you remember special times in your life. Well worth reading.
