REVIEW OF 1966 DODGE A100 A 100 A 108 TRUCKVAN FACTORY SHOP SERVICE MANUAL

- The Giver, by Louis Lowry was a great book. It takes place where there are no feelings, colors or differences. Jonas is the main character, and he is selected to be the new Reciever of Memory. This job is very important because there is only one in the whole community. He meets the current Reciever and he calls him the Giver. The Giver transmits memorys that the community has never recieved. This was a really good book and I would recomend it to anyone who wants to broaden yourthoughts about different life styles.
- At first I thought the book would be a complete bore but once you begin to read you will be amazed in what kind of world they live in. You will discover the wonderful ideas in our wourld that we take for granted and realaze how thakful we are for them.
