- I really like to read, its 1 of my hobbies. I wanted to take it slow but, after the 1-3 chapter I could'nt put it down. It was over in 4 days! Its about a boy who lives on a farm, one day he's walking through the woods where no one goes. He finds this saphire stone on the ground and thats when the story begins. Im really looking forward to the movie and the 2nd book. Also in a few months a year maybe the 3rd book will get published. I wish they would have gave Eragon a saphire sword like the color of Saphira, I would also make it longer so i could enjoy it for a longer amount of time! I also reccomend Baldur's gate and Baldur's gate 2 Shadows of Amn. Well i hope this review helped you and enjoy the book!
