So why wait? Start downloading Broken 1 Skyla Madi PDF today and experience the simplicity and ease of accessing a large range of valuable records within your reaches.

## **REVIEW OF BROKEN 1 SKYLA MADI**

- I read this book when I was in 5th grade. I read it over and over and it ends with a cliff-hanger that tore at my pre-

teen heartstrings for several years until a teacher said to me, "did you read the rest of the series?" WHAT??? Paradise!! I was lucky enough to have the hardbound edition illustrated by Frank Frazetta. The reviewer who said that the modern cover illustrations are too risqué compared to the earlier covers obviously never SAW the earlier covers. This book is an early classic of pulp fiction and cheesecake/beefcake covers have always been a part of the deal. Burroughs was part of a generation of creative brains who would have thrived in the computer era. Thank god they had the

chance to make their mark in literature.

- The author is knowledgeable and gets right to the point. Many important questions are raised. I am shocked when I realize the effect on my body of processed "food-shaped products", I am thankful to this author for the challenging my beliefs. Some of the language seems overly critical and extreme, but reasonable solutions are provided, and when I suspended my reactions I could let the good stuff sink in. Share your copy with your MD and see what s/he does with it.---DD
