## REVIEW OF DOCUMENT BASED QUESTION ESSAY AP WORLD HISTORY

- needed a script for reader theatre.... the group had a blast doing this play... my HS group did it back in the 80's... It is a great story../play
- "Dance," by Keith Haring, brings together a number of illustrations by the artist (who died from AIDS-related complications in 1990), together with quotes from his own journals about dance and other arts. This is a beautiful book, full of energy and joy. Haring's images have a uniquely funky poetry to them. Whether he's creating a robot DJ, whimsical animals, or tribal/iconic looking humanoid figures, Haring imprints his distinctive style upon

all. My only problem with the book involves the following editorial note on the publication data page: "The Keith Haring artwork in this book has been reproduced faithfully; however, the colors of some works have been altered." So . . . which colors have been altered, and why? I'm of the opinion that you don't mess with the work of a master artist unless you have a very good reason, and the editors of this book fail to fully explain this matter of alteration. But despite this matter, Haring's vision shines through. He wrote, "The freedom of the artist is symbolic of the human spirit in all mankind." Haring's appeal transcends all barriers of difference, and "Dance" truly speaks to that universal human spirit.
