### REVIEW OF IMPULSIVE LOADING ON REINFORCED CONCRETE SLABS

- In this small book, Phillips strikes at a vital issue in today's church: the multiplicity of false conceptions of God. The false conceptions of God that we hold are damaging to the faith and Christianity as a whole. Phillips brings many of these inadequate conceptions of God to light in the first half of the book, which I thought was some of the most poignant writing in the book. Too often we limit God, especially so that we can have our "God-in-a-box", which is essentially a shrunken-down God that fits OUR

notions of what God is like and where He is. This along with many other false conceptions of God which Phillips gives name, create a pseudo-god that we ourselves hardly respect, and neither do those outside the church. And more importantly they do not reflect the true nature of God as revealed in the Bible. I was slightly disappointed in the second portion of the book where Phillips tries to open up a more full image of God. Most of it was very well written, and I especially liked the way he pointed to Jesus Christ as the "focused" God that came to be among us and die for our sins. However, scattered things in the latter portion of the book I disagreed with, for example, the way Phillips seemed to downplay sin somewhat. The true ugliness and despair of OUR OWN SIN is what nailed Christ to the Cross and was the punishment Jesus bore IN OUR STEAD! This makes the resurrection of Christ all the more joyful for sin-wearied souls, as we have the promise of forgiveness and eternal life WITH OUR SAVIOR!!! It is important that we recognize our own sinfulness and are repentant that we may receive this great gift. Altogether "Your God is Too Small" is a good little book for all Christians to read.

- This is one of the best books for clarification of the subject of God and Faith in God that I have ever read. I bought 4 more books to distribute to family and will re-read often. It is almost like a book of fundamentals, it keeps you properly focused. DO NOT MISS THIS BOOK.
