REVIEW OF DAVE RAMSEY PERSONAL FINANCE FINAL EXAM ANSWERS

- This is a stunning book and reveals the real message behind Christ's words to his closest disciples. It should be helpful to Catholics and Hindus alike.
- I ordered 5 books including this one, and all of them are so very shallow, low level and boring. Some of the chapters were actually copied in several books! Unbelievable. I would probably recommend this series to school children interested in management - nothing more than that.
