Overall, our company believe that Risolvi La Menopausa deserves a read,

## **REVIEW OF RISOLTI LA MENOPAUSA**

- I thought this was Grisham's best book in years. He captured the spirit of the 70s in the deep south while giving the darker aspects those difficult times a

light touch. His quirky characters (one of the things he does best) were well written. And, for those of us who loved "A Time to Kill," it was interesting to compare characters in this loose "prequel."

- It was nice to read this explanation of Jewish customs and what not. I've read many books that are overviews but this had a lot of FEELING. To read the book feels like you are having a personal explanation... with good comparison, wit and humor.\*\*\* People who read this will also like the following. *You Can't Buy a Halo*
