- I am not sure what reviewer before me is writing about, but this is a small notebook -blank- not a story about about a girl, soccer, etc. But for a \$1 it is a cute notepad.

- I figured I would get the information I needed about a particular battle for some genealogy research I was doing, then donate this book to the genealogy department of my local library. But the book just kept drawing me in so that I now want to go read the first two volumes. The library may have to get their own copy.
