REVIEW OF ACCOUNTING BY MEIGS AND MEIGS 11TH EDITION

- Read Thief of Light. Loved it. Knew his next book was on the way. Worth the wait. Compelling and frightening. One would had to have lived this to write so convincingly. Looking forward to his next book.
- It's a book full of common sense that makes you wonder why Gordon isn't president. Funny, smart and effective -- this is a must-read for anyone in business, aviation or just a fan of how to get things done.
