Dead End in Norvelt is the winner of the 2012 Newbery Medal for the year's best contribution to children's literature and the Scott O'Dell Award for Historical Fiction! Melding the entirely true and the wildly fictional, *Dead End in Norvelt* is a novel about an incredible two months for a kid named Jack Gantos, whose plans for vacation excitement are shot down when he is "grounded for life" by his feuding parents, and whose nose spews bad blood at every little shock he gets. But plenty of excitement (and shocks) are coming Jack's way once his mom loans him out to help a feisty old neighbor with a most unusual chore—typewriting obituaries filled with stories about the people who founded his utopian town. As one obituary leads to another, Jack is launched on a strange adventure involving molten wax, Eleanor Roosevelt, twisted promises, a homemade airplane, Girl Scout cookies, a man on a trike, a dancing plague, voices from the past, Hells Angels . . . and possibly murder. Endlessly surprising, this sly, sharp-edged narrative is the author at his very best, making readers laugh out loud at the most unexpected things in a dead-funny depiction of growing up in a

slightly off-kilter place where the past is present, the present is confusing, and the future is completely up in the air.

REVIEW OF WRITING RADAR USING YOUR JOURNAL TO SNOOP OUT AND CRAFT GREAT STORIES

- Against the background of contemporary misunderstandings of God and Christian revelation, it is gratifying to see how a modern Scripture scholar, Professor Scott Hahn, contributes concise and profound insights into the most familiar prayer in all history, the Lord's Prayer. His meditations, enriched by covenant theology, will inspire souls with greater knowledge and love of God, and will stimulate in them a greater zeal to spread Christ's Kingdom, the Church, on earth. Readers victimized by a spiritually decadent culture to ignore their supernatural destiny are reminded, "If He who was without sin prayed, how much more ought sinners to pray." The value of this volume is enhanced by inclusion of the texts of timeless commentaries on the Lord's Prayer by Sts. Cyprian, Cyril of Jerusalem, John Chrysostom, and Augustine.

- How do you balance duty to your family against duty to yourself? Brother and sister Tom and Maggie Tulliver wrestle with this problem throughout The Mill on the Floss, guided (and misguided) by the opinions of a host of friends and relatives. Both accept different kind of burdens and cause each other different kinds of problems, and each suffers - one way or another - in the name of duty. Eliot fights against the influence of class, money, gender, and even handicap, repeatedly showing that being a good person is independent of these things, and this alone makes her a fairly modern read, although we have made so much progress in these areas in 150+ years that it is occasionally difficult to appreciate the seriousness of certain actions her characters take. For example, we don't think much today of a man and woman spending time alone together, but in Eliot's time, this would ruin a woman's reputation forever unless he married her. We also don't take family obligations quite as seriously, so it's important to remember that people were willing to do quite a bit to defend the honor of their families. With over a dozen people to keep track of, I kept updating a list of names in the front cover, and I found that a big help. I recommend this to anyone reading this book for the first time - especially when it comes to the various Aunts and Uncles and their particular idiosyncrasies.
