REVIEW OF THE ORGANIC DIRECTORY YOUR GUIDE TO BUYING LOCAL ORGANIC PRODUCE 2002 2003

- Having just downloaded my copy, I eagerly searched for some favorite quotes. Going straight to "but man, proud man...." in Measure for Measure, the fact that "spleens" had become "speens", ruined my enjoyment completely. In view of the material at hand, I would have expected a little more care to have gone into the final proofing of the text. Instead of risking more of the same, I think I'll just forget about the 3.99 and get a different version.
- I thoroughly enjoyed this book. It has been over a month since I read it and it still stays with me! My 13 year old son also read it and loved it!
