REVIEW OF INDUSTRIAL EMERGENCY LIGHTING THE BEST VALUE IN

LIGHTING

- Jane Eyre was a wonderful experience for me. I too like Jane was faced with challenging start. It is a refreshing reminder that God does answer prayers. All he requires is our faith. Wonderful read!!
- Through out my many years of being a student there have been good and bad books that had to be read for class. Jane Eyre in no way is one of those bad books. I had to read Bronte's novel for my

college English Lit class and at first thought it might not be that interesting seeing as it was written over 200 years ago. The story of Jane Eyre pulled me in and found myself thoroughly interested in what happened to her. I now know why Jane Eyre is such a classic novel and is still being read today. The character of Jane Eyre is very strong, however she keeps most of who she is to herself due to her class in society. She becomes a sort of female detective and finally discovers where she is meant to be in the end.
