**REVIEW OF REVUE
 TECHNIQUE MOTO GRATUITE**

- What a book. This book deserves the 5 stars because it contains everything that a reader could ask for in a true classic. With only 184 pages of simple words, Golding has created for us a book so powerful that seems like the ultimate resolution for every quandary, however trivial. And those chilling themes. Just thinking about them literally makes me shiver. I may not be an 'as-experienced' adult reviewer like some out there, but William Golding and his words, and the truth in them, hit me hard.

- I think that the Lord of the Flies was a pretty good book. It had a boring beginning but the ending was full of action and conflict that kept you glued to the pages. The characters were pretty realistic and related to the people of today.
