REVIEW OF KINDLE FIRE HD 7 USERS GUIDE

- The book "The Giver" is a really great book. The only reason I didn't give it a 10 is because I didn't understand the end. Some people say he died. Some say he found a new home. This book is very touching though. It is one of my favorite books. It got me thinking about all the pain in the world. I thought it was a great book.

- "I don't understand it yet,I don't know what it is. But sometimes I see something, and maybe its beyond!" Thats how I felt at the end of the exiting and adventurous book the Giver by Lois Lowry. That quote was made by one of the main charachters Jonas. Jonas has light eyes and Dark hair. He has the gift of seeing beyond with one other person,The Giver. Some of the other characters are, Mother, Father, Lily, Asher, Chief Elder<and Gabriel! The setting of the Giver is in a place of sameness,no color and borindness,just picture the oppisite of our world and you got it!!! thought the author,Lois Lowry did a great job with detail and discription.I like the suspense ans sadness at the end of the book.The book has an exiting end and leaves you to decide the fate and destiny of Jonas and his friends and family! I was very impressed by the vocabulary of Lois Lowry. One quote that shows that is the following one: "I'm apprehensive,thats what lam!",by Jonas!The plot of the book is odd. First Jonas becomes the new Reciever. Then he wants to make his own decisions ect. because of his memories.Then they make a plan!! You have to read the book to figure out what happens. All and all this book is great and I recomend this book to anyone!!!!
