#### **REVIEW OF APC UPS SERVICE MANUAL**

- I thought the book was preatty cool. I liked it because it's a good story about friendship and how these two guys who have been through everything together were forced to break their friendship because of a tragic accident. It was a very sad book, but overall I thought it was preatty cool!!!
- Because it is more "socially relevant", The Grapes of Wrath is the Steinbeck novel most often pushed on students - who promptly get turned-off by him. Don't let that happen to you. Of Mice and Men is his second best novel (the first being East of Eden) and it has everything that makes Steinbeck great. It is a short, fast read so you might as well give it a chance. The story itself is so archetypical as to be almost mythic - there is Lenny, the good-hearted, strong simpleton; George, his protector; Curly, the short, cruel, bully and his dangerous wife. Also, if you've ever seen a Looney Toon wherein a big, dumb character says something like, "Tell me about the rabbits, George" that is from this book.
