REVIEW OF BEIJING NATIONAL STADIUM

• This is an excellent book in teaching you what depression is all about and the various types of help that is out there (from self-help to doctors). It is easy to read and I recommend it for anyone who has depression or knows someone with depression.

• I read this book for a book group. I don't usually like short stories but this book is completely different. Each short story could stand alone, but they are all connected.The beginning was a little slow, but if you stick with it, the book is an amazing gem. Follow a paintings life back to its creation. This painting has had some interesting travels.Try this book, I think that you will like it.
