REVIEW OF THE TSI ENGINE VOLKSWAGEN INTERNATIONAL

- Longman's commentary on Proverbs is simply great. The introduction alone is worth the price. He takes what could be a dry academic work and makes it interesting and readable. His explanations are understandable, his scholarship outstanding, and the topical appendix is wonderfully useful as a

teaching resource.

- I picked this book up knowing nothing about it. I read it to my twin 5 year old boys and they hung on every word. They laughed when they were supposed to and also got sad when they were supposed to. Of all the books I've read them they loved this the most and the truth is I loved it as well. The book is written in poetry form from Jack to his teacher. I wasn't sure how my kids would respond to this style but they really enjoyed it. The poems at the end of the book were also great. It was a great way to introduce poetry to 5 year olds that they truly enjoyed. This book is unlike any other books we have read. Other than of course the 2nd book 'Hate

That Cat' which we also enjoyed. Highly
Reccomend!
