## REVIEW OF ANATOMY PG ENTRANCE QUESTION PAPERS

- A very informative and usefull book for all designers.
- This has to be one of my favorite cookbooks, not only because the recipes are healthy, tasty and family friendly, but because one really becomes absorbed in the ambiance of the book. There is a rustic, hominess and familiarity to the recipes, pictures and descriptions that makes one feel that they are included in Jamie's quirky, British style. I love the pictures of Jamie eating a sarnie on the street curb and the lasagne pictures with the cheese melted to a crisp along the edges of the pan; and someone has already dug in! My kids and I love the bowtie pasta with peas -- whoever thought they'd agree to eat a pea? This pasta is the only way they'll do it. Certainly not classical cuisine fare, but good, homey rustic eating and lots of Jamie, as well! How can you beat that?!
