REVIEW OF ON AUTO LE ENGINEERING R K RAJPUT

- The book Jane Eyre was an interesting book although sometimes it was hard to understand. I enjoyed reading this book because it had a lot of new characters going into the story. It wasn't always the same boring ones throughout the whole story. I also liked the book because finally Jane found some affection with Mr. Rochester. Although Jane suffered a lot she found her love and lived happily ever after.
- First and foremost this is a good classic that should be in every bookshelf. The copy I got was in great shape but the cover didn't match the one pictured. I think mine was part of a set that was sold alltogether when new. Not a big deal unless you are depending on the cover to match other books you may have.
