"Mammy" is what Irish children call their mothers and *The Mammy* is Agnes Browne—a widow struggling to raise seven children in a North Dublin neighborhood in the 1960s. Popular Irish comedian Brendan O'Carroll chronicles the comic misadventures of this large and lively family with raw humor and great affection. Forced to be mother, father, and referee to her battling clan, the ever-resourceful Agnes Browne occasionally finds a spare moment to trade gossip and quips with her best pal Marion Monks (alias "The Kaiser") and even finds herself pursued by the amorous Frenchman who runs the local pizza parlor. Like the novels of Roddy Doyle, *The Mammy* features pitch-perfect dialogue, lightning wit, and a host of colorful characters. Earthy and exuberant, the novel brilliantly captures the brash energy and cheerful irreverence of working-class Irish life. Now a major motion picture starring Anjelica Huston

In this brilliantly imagined novel, Amelia Earhart tells us what happened after she and her navigator, Fred Noonan, disappeared off the coast of New Guinea one glorious, windy day in 1937. And she tells us about herself. There is her love affair with flying ("The sky is flesh") There are her memories of the past: her childhood desire to become a heroine ("Heroines did what they wanted") . . . her marriage to G.P. Putnam, who promoted her to fame, but was willing to gamble her life so that the book she was writing about her round-the-world flight would sell out before Christmas. There is the flight itself -- day after magnificent or perilous or exhilarating or terrifying day ("Noonan once said any fool could have seen I was risking my life but not living it"). And there is, miraculously, an island ("We named it Heaven, as a kind of joke"). And, most important, there is Noonan . . .

With the death of Penelope Fitzgerald this year, the literary world lost one of its finest, most original, and most beloved authors. Fitzgerald began her writing career at age sixty and wrote eight remarkable novels in rapid succession over the next twenty years. Completed just before her death, THE MEANS OF ESCAPE is Fitzgerald's first new book since the best-selling THE BLUE FLOWER. Never before have her short stories been collected in book form, and none of them has ever appeared in the United States. THE MEANS OF ESCAPE showcases this incomparable author at her most intelligent, her funniest, her best. Like her novels, these brilliant stories are miniature studies of the endless absurdity of human behavior. Concise, comic, biting, and mischievous, they are vintage Fitzgerald. Roaming the globe and the ages, the stories travel from England to France to New Zealand and from today to the seventeenth century. Uniting them is a universal theme: the shifting balance between those who are in positions of power--by wealth, status, or class--and those who, deceptively, are not. THE MEANS OF ESCAPE memorializes a life and a writer guided by a generous but unwavering moral gaze.

No-one captures the allure and charm of Venice better than Canaletto This volume presents a substantial overview of the life and works of the great Venetian painter. More than 70 works by Canaletto, including paintings and drawings from both public and private collections, are brought together to demonstrate the breadth of the artist's creative capacity. Also included is a rare collection of documents concerning Canaletto's artistic adventures, as well as a series of prints that served as inspiration while crafting his iconic city views. Together, these materials illuminate both the public genius and private personality and life of the Venetian master. Giovanni Antonio Canal(1697-1768), known as Canaletto, began his career as a scene painter for the theaters of Venice. The artist is best known for his ability to capture encompassing views of the Venetian cityscape in paint, works that were frequently sold to European aristocrats on the Grand Tour. These early paintings often subtly blur the boundary between the real and imaginary, as the artist masterfully repositioned buildings and warped viewpoints to achieve the most holistic presentation of his subject. Although Canaletto is regarded as one of the greatest artists of the 18th century today, his life was mired in controversy as he struggled with his public perception, fighting to be accepted by the Venetian Academy of Fine Arts before dying in poverty.

REVIEW OF CORREDINO A PUNTO CROCE WINNIE THE POOH RICREANNA

- I thought this book was very informative, although I did not find the history of the political parties during the Depression years that interesting. This book is very in depth about the Prairies political and economic history. I became annoyed at how Prairie residents are so arrogant. Toronto will always be the financial capital of Canada, not Calgary, as quoted in this book. Generally I could summarize this book as a story of the Fur Trade, western migration and farming, farmer political parties, and economics.

- ...Mr. Jensen and his wife have developed a veritable cottage industry replete with workshops, seminars, presentations, publications, certifications -- if you've got the money then they have something to sell you...and all of it is centered around what is termed "brain-based learning"...but what this book presents is little more than 400 pages of scientifically unsubstantiated claims and

recommendations...for example, it claims that the color yellow somehow enhances intellectual performance and, hence, classrooms should be painted yellow...however, he doesn't offer a shred of evidence to back that claim up...it's all just ridiculous...how does this stuff ever make it into print?
