## REVIEW OF BIBLIOBURRO A TRUE STORY FROM COLOMBIA MCGODS

- Though I am no fan of the classics, the plot and dialogue were easy to follow. My only real criticism of the book was that it forces its readers to read far into the book to reach the more intense sequences and interesting points of the storyline. Therefore, readers are to be cautioned to have the necessary time to read this book before tossing it away to a dusty bookshelf.

- This is the best book I have ever read. I have enjoyed it from the first page to the last. This is a must read for everyone.
