Keep in mind, checking out reviews can aid you make notified decisions about what to read following and can expose you to brand-new authors and styles you could not have actually thought about in the past.

## REVIEW OF NEW DEAL SECTION 1 QUIZ ANSWERS

- Sorry for the inconvenience- I submitted the followig review for the wrong book. I meant these comments in reference to Mary Alinder's Biography of Ansel Adams, not his auto biography on which she assisted. Please try to correct the mistake for me. It is a great book!!Mary Street Alinder presents a very personal look at many parts of Adams' life and career. Though most know some of his work, we don't know the early struggles to bring photography into the stuffy artistic world, the environmental activist, and his development and refinement of the photographic medium that Alinder brings to life. A great read for anyone who has marveled at his photos and wants some perspective on the personal side of this artist.

- Halloween is my favorite time of the year, so this book was a welcome addition to my library. It works best as a simple introduction to the history of this maligned cultural event (which has nothing whatsoever to do with dark and evil forces) and as an idea maker for recipes (two of which I plan to test at an upcoming party) and spells (if you are into that magic scene, I am not). I also hope to try out the Passion Pumpkin Dinner (minus the mumbo jumbo) at some point in the future, because it sounds so deliciously romantic. My only wish is that I could have tried it with my late wife - I think she would have loved it. I thought the book got a tad dull when it started its litany of spells, which I've already said is not my thing, so it did not interest me, and I just scanned over it. The speaking to the dead segment also offered some comfort, all my 'thinking out loud' and speaking to my deceased wife's pictures is normal and healthy, and maybe she hears it, I don't know. I do know that if you like Halloween, you will find much to enjoy in this book.
