REVIEW OF EDEXCEL ENGLISH IGCSE PAST PAPERS

- it's great to be able to get a treat classic book, un good shape for a good price...amazon makes it possible, and easy....like going to an old style bookshop, but easier.thanks.
- I used this book as a first year veterinary student. I found the suggested text for my class (Dyce) to be useless. While it isn't logical to think you will sit down and read this book through at a

thousand and some pages, it makes a great reference to read on a particular topic and fill in questions you have. I found it very helpful to clarify points my professor breezed over but would surely be on the test. Contains hundreds of detailed pictures and

way more info than the dissection guide in a concise easy to read format. I look forward to always having this book as a reference to come back to.
