REVIEW OF THE LAND OF STORIES THE

ENCHANTRESS RETURNS PDF

- This book is just fantastic! I was looking for a book to give me inspiration on my writing and this is it! I wasn't so sure at first, I was afraid of yet another fusty, musty textbook-twin that would give helpful hints but bore me to tears. But from the first page I was hooked! "...most people must break through a shell of timidity and strain." What encouragement! This book proved to me that there are other downtrodden creative people out there, people who have had "constructive criticism" shoved down their throats until it nearly killed them. Plus, the strain of being pressured to "make a living" from your

writing. Instead, Brenda Ueland encourages in the most enlivening way to write because you love to! And in her mind this applies to anyone, this is not just a book about writing. It is inspiration for ANYONE who is afraid to follow their true creative spirit. She says that Van Gogh painted not because it was expected of him or because he wanted to make a profit from it, rather he painted the stars in the sky because he loved them and wanted to show other people how beautiful they are, he wanted them to be seen from his perspective so that others might share in his wonder! How can that fail to inspire all downtrodden sensitive creators? In this book, Ueland shows how to

bypass all negative feedback from others, how to search inside ourselves to find our true motives for creating literature, artwork, whatever we love the most! She is able to bring out the unique creative nature in everyone (for if everyone is different, then everyone IS original!) and in the process make us happy with what we find inside.

- I really enjoyed reading this book. This book is about the adventures of Sir Gawin. Some of the other characters are Sir Lancelot, a mega womanizer, who makes a move on the queen, and lady Eileen, who really hates Terrance. But as usual they fall in love. But in all I found this book exciting especially

when all of the would recomend you
charecters go to visit read this book. And i
the wizard. Over all i give the book 4 stars.
