REVIEW OF MODERN ELECTRONIC COMMUNICATION SOLUTION MANUAL

- This is a great book for those who want to open their homes and share tea time with friends. Marilyn and her husband write from what they know and do. Having tea with them is a wonderful experience, and this book shares their ideas, stories and some

great recipes for serving tea for 2 or 200. A great resource for women's ministry leaders or home use.

- This book is a great resource for these texts. It includes transliterations for all of them, which is extremely helpful. The translation is pretty accessible to readers unfamiliar with the Sumerian language, although there are some nuances that are missed (as often happens in translation). Still worth the price.
