REVIEW OF MKSAP 16 PDF SMCLAN

- Innes's thriller is one of the finest espionage novels I have read.

Dark and icy Norwegian atmosphere, very strong characters, solid plotting. From page one, you know you're in the hands of a pro. It's too bad this little gem is out of print. See if you can track it down! Highly recommended.

- Very nice book, however I have a 1926 Chevy and this book skipped that year for some reason. Great information on all of the other years and I understand some model year carryover from 1925, however it would have been nice to see at least a couple of 1926 photos and some data.
