## REVIEW OF 1000 RECORDINGS TO HEAR BEFORE YOU DIE TOM MOON

• this is the best prequal movie. star wars phantom menace was too kiddy, and star wars attack of the clones was boring, with boring love scenes between anakin and padme. It isnt fun watching that because you know anakin is just gonna end up killing padme anyways. this new movie is awesome and because anakin goes into the jedi temple and kills everyone. obi-wan owns anakin in a fight at the end of the movie. the stupid part of this movie is when yoda loses to palpatine. yoda cannot lose to anyone. it is bad that he loses because he is the best. i cannot believe how fast kit-fisto and sineese tin get owned by palpatine. it is off the hizzle for shizzle. this is the best book and the movie is awesome. i really dont wanna go into details. just go see the movie. buy the books. and buy the movie when it comes out. the end. charly gill

• This is the first movie adaptation novel I've ever read that is so much worse than the film itself. Who the heck is this guy? He's terrible. Terry Brooks and RA Salvatore both did a good job making enjoyable novels out of boring, poorly acted movies (episodes 1 and 2), yet you screw up the only watchable movie of the last three?AVOID
