REVIEW OF HARRY POTTER E LA PIETRA FILOSOFAL E PUB

- This book is an excellent resource for people interested in Buddhism, but don't know where to start. It covers all the basics in a clear and understandable way.

- Mr locke lived a very long time ago and is dead. Thomas Jefferson used to be president of the United States said Mr Locke was a very smart man. I think this is a very long essay. I'm bettin' Mr. Jefferson didn't read the whole thing in one sittin'.. the end... I am an old electrician and not a philosopher; I am in no way qualified to review or offer worthy commentary on Mr. Locke's work.
