REVIEW OF HOME ASBESTOS AWARENESS TRAINING COURSES

- I received the books quickly and they were in new condition! I'm very impressed. Thank you!
- I found Travels With Charley to be a very entertaining and profound book. John Steinbeck is very good at bringing up many things in one book without making it seem cluttered. The book does not have a story line the way that a novel or short story usually does. Instead, it is more like a travel journal meant to express the author's ideas and enlighten the reader about America and its people. Many people would enjoy this book, but particularly those who enjoy traveling, because they could sympathize with how Steinbeck feels when he talks about how much he loved his journey. Overall, Travels With Charley is an interesting book that presents John Steinbeck's ideas in a unique and effective way.
