personalities, and story twists make it a

beneficial enhancement to your shelf.  
So, if you're trying to find an exciting  
read, Road Warrior Dave Barry is  
definitely worth taking into  
consideration.

### REVIEW OF ROAD WARRIOR DAVE BARRY

- This book is simply a masterpiece,  
intricate in the extreme, enthralling.  
When I picked up The Eye of the World  
(the first in the series) I read it and  
became addicted to the rich scope and  
variety of the characters and the depth  
of the novel. By the time I found A Crown  
of Swords I was just about slaverling over  
another Robert Jordan novel. I want to  
know when the next comes out so that I  
can lose myself into the world of Rand  
al'Thor again. Hell even my e-mail  
address is from The Wheel of Time!

- Love the series. I am anxiously  
awaiting the last volume. I now have all  
of the volumes in hard cover.
