Whether you're wanting to broaden your horizons or conduct study, our uncomplicated and complimentary solution is right here to sustain you every action of the way.

REVIEW OF 8000 ITALIANO GIAPPONESE GIAPPONESE ITALIANO VOCABOLARIO

- Any student of the Civil War who seeks the basic knowledge and the events behind the events would find, in my opinion, this to be a phenomenal read. It has placed a new hue over the event in my eyes and now many aspects of the behaviors of the officers both during and after the event make sense to me. The key point is that the participants were men--simply men. Their motivations were driven by many emotions and aspirations. Some of these were altruistic. Some of these were selfish and self-serving. The author provides the back story and makes the case that you should not believe everything you see or

read. I will be visiting the battlefield again, as I have done a number of times over the years. Except, this time I will have more questions about what actually happened. This battle is so important to some of us because it was the turning point not just in the war, but in the nation that resulted. It is more than just a battle. For the men who fought there, the events over 3 days affected their perspectives and even their lives for the rest of their lives. How many of us can identify the events of 3 days in our existences that affected how we behave for the rest of our lives? Extraordinary.

- "These Honored Dead" subtitled "How the Story of Gettysburg Shaped American Memory" by Thomas A. Desjardin. His other book is "Stand Firm

Ye Boys from Maine" about the 20th Maine's stand on Little Round Top, knows his battle and writes a very readable book. The narration is clear, the points well made and supported by facts though at times the same point is made in different parts of the book. What is your favorite Gettysburg story? Who killed Reynolds? Lee's orders to Longstreet for an attack at dawn on July 2nd? Chamberlain's order to fix bayonets and charge? Want to know how the 72nd Penn managed to get their monument where the men would not go on July 3rd? Mr. Desjardin, tells us without upsetting anyone and entertaining everyone. In between, you will learn more about the history of the history of the battle than you thought existed. From how Gettysburg was viewed at the time to

why we really know so little about the most documented battle in our history. This is a good serious history that is entertaining and fun to read. If you buy one book on Gettysburg, this is an excellent choice.
