REVIEW OF THE HEART OF BETRAYAL THE REMNANT CHRONICLES PDF DOWNLOAD

- I thought this book was wonderful! I wouldn't give it 5 stars because it's not the best written book I've read by Jodi Picoult, but it was definitely worth the 4 stars. It was a book that pulled at your heart strings!
- I am a real Picoult fan, and when this book was on sale I picked it up via my Kindle app. I had a tough time following the story line and it didn't seem as believable as some of her other stories. Jodi Picoult's printed books usually have different fonts to distinguish which character is speaking. That did not translate thru the Kindle app, and it made it difficult to follow. I have read almost every book by Jodi and this is the first one that didn't wow me.
