## **REVIEW OF 2001 YAMAHA VIRAGO 250 SERVICE**

- This is one of the best books I have ever read. It shows how a we can overcome from our despair and turn it into a good thing. The interesting plot will captivate your mind making you helplessly turn the page. The cunningness of Edmond Dantes will amaze you. I recommend this beautifully written masterpiece to all those who enjoy reading only the best

- While the Three Musketeers is better known, Dumas treatment of The Count of Monte Cristo is exceptional. His character development is excellent and puts one into the scene. An excellent read. One classic to be revisited.
