REVIEW OF EARLY SOCRATIC DIALOGUES PLATO

- I have read this book many years ago, and enjoyed it then. Now that the movie has come out again I wanted to see the movie, but as always with this trilogy I wanted to read the book first. It is a great read. I highly recommend getting the audio book, just to hear the many different voices used for each character. That makes it all the more enjoyable. Joe B

- "The Hobbit""The Hobbit" is a book of adventure. If you like adventure books you will love The Hobbit! The main character is a hobbit. Hobbits are small man-like creatures. Bilbo Baggins isn't looking for an adventure, but he ends up going on one. There are 13 dwarves, and a Wizard. They are trying to kill a dragon and get the stolen money from the dragon and give it to the owners. Bilbo has to fight goblin's, troll's, and on the way he finds a magic ring that makes him invisible when he puts it on. I like the Hobbit because the ring is so cool, and the book is so exciting when he's talking to a slimy character named Gollum while he risks his life in a riddle competition. The book is so exciting! You should read this book! Warning: The first two chapters are boring but at chapter three the adventure begins! If you like this book there is a second called "The Fellowship of the Rings" by J.R.R. Tolkien
