REVIEW OF FAUNA E FLORA DEL MEDITERRANEO

• I chose this book last year while I had an Audible membership. The narration is superb and the story very interesting and well written.

• First books by new authors seldom live up to their hype. However, this one does. Ms Jeffers handled the difficult subject of a deserting husband with understanding and sensitivity. The complex plot kept the story moving along but the author never lets the reader forget the underlying theme of betrayal and forgiveness. The book is a combination intrigue and romance and will not disappoint anyone looking for a good inspirational book.
