Keep in mind, reviewing reviews can assist you make educated choices regarding what to check out next and can reveal you to new writers and styles you may not have thought about before.

## **REVIEW OF BUSINESS ACCOUNTING 1 12TH EDITION BING**

- Upon finishing this book, I was in awe.

At his sharpest, Steinbeck weaves an intricate web of characters, all of whom encompass both good and evil, yet enable us to fall in love with each one of them, even the worse ones. Through the despair, cruelty, and pain, there lies hope and pure honesty of human emotions that force you do to your own introspection, leaving you begging for more and speechless once you've finished.

- This book is amazing. I never tire of the plot or characters, but while the story is extremely enjoyable, it is the compelling characters that Steinbeck created that truly give the book its merit. As the excerpts on the book covers suggest, East of Eden is a loose epic retelling of the Biblical stories of Adam and Eve and Cain and Abel. Set in the

Salinas Valley in the early 20th century, the novel involves the Trasks and the Hamiltons, telling of three generations of these families. The introduction to *East of Eden* is, while not as intriguing and momentous as the rest of the book, still successful in drawing in the reader. It is easy to understand both the story and the characters because of Steinbeck's simply composed sentences, though the characters introduced in the beginning have less depth than later characters. Because Steinbeck weaves over three separate stories in one novel, his plot may seem disarrayed and confusing at times. Ultimately, however, this contributes to the wonderful reading experience, as the reader is able to experience multiple stories involving contrasting characters and different

paces. The book never gets sluggish or monotonous, because of the overlapping plotlines. *East of Eden* is such an incredible book because the depth of the characters causes the reader to feel a wide array of emotions. Cal, for instance, is possibly the most appealing and intriguing character in the entire novel, despite Steinbeck's continual assertion that nobody likes the dark, secretive boy. Everyone can relate to Cal and his struggle to overcome the evil quality inside himself, and emerge "good" like his twin brother Aron. Everyone can understand Cal's desire to be accepted, his desire to be loved and appreciated. Everyone knows what Cal is going through when he tries to vindicate himself by trying to get revenge on those who favor his brother. He is

jealous and he is vengeful, but he is also loving and sensitive. Cal's complexity makes the second half of the novel so wonderful to read- his progress from a dark little boy to a mature, caring young man is amazing. Steinbeck's characterization is excellent, but he also writes scenes in which Cal and Aron are simply innocent, curious boys, rather than profound, universal characters part of an epic tale. East of Eden is so easy to relate to, but it is also a fantastic ambitious saga. One of the most common criticisms of the book is that the main antagonist, Cathy, is an unrealistic one-dimensional character, but she is, in fact, a complex character, as she embodies several types of evil, rather than just cruelty or insanity. She is written very sophisticatedly; if her

severe lack of humanity and warmth seems unrealistic, it is because, in comparison with the other characters, Cathy is blatantly evil. There is no other character as depraved as Cathy in the story; even Charles desires love and displays fondness for his Adam, and Cal ultimately chooses goodness. Besides, Cathy does show brief episodes of weakness, which obviously show that she is somewhat human and not just an antagonist who opposes the protagonists and then suddenly disappears. The book begins to move at a faster pace when she is introduced, and as her mind disintegrates, the reader is left to wonder what her true level of humanity is, and whether she should be pitied. Cathy is one of the most fascinating characters in the book, because the

nature of her wickedness is so intense that it easily heightens the suspense of the story. Though I only touched on the more prominent aspects of East of Eden, the entire book is worth reading multiple times. Every single character is unique, realistic, and wonderful in some way. The plot is extensive, but there are so many different facets to explore, especially because Steinbeck elaborates

on universal themes such as light versus dark, good versus evil, jealousy versus love. It is not the simple plot that gives this book its wonderful quality, but the actual experience of reading through the history of the families and experiencing the multiple feelings this book incites that will make you fall in love with it.
