REVIEW OF TRIBOLOGY LUBRICATION FRICTION AND WEAR

- What a fantastic read! I started reading Wilbur Smith about a year ago and have managed to tear through quite a few of his many exciting novels since then. To this point I would say that Birds of Prey is one of the best. It is action packed from beginning to end, and the scope of the story is enormous. The story

takes you to a long forgotten time and moves you up and down and all around the southern coast of africa. If you have never read Wilbur Smith before, or are a fan and want a really good Smith book then this is the one! Two thumbs way up!!!

- Excellently structured and cross referenced with The Bible to confirm truths on the Title of this book. Recommend this book to anyone that seeks a deeper and true understanding of the subject matter.
