## REVIEW OF PAST YEAR EXAM PAPERS BUILDING ADMIN N4

- a unique and amazing read! designed to keep you reading and thinking. lowery's definitive vision of this world causes the mind to twist and turn while telling an emotional story about a world that lives by rules and rules alone. a heartwarming cast of individual characters that you are bound to send your heart out to!CT - SMHS
- Reading the book was quite interesting because the reader experiences a world completely

different compared to our world. It's a world without love, feelings, feelings of pain and war, climate, without making own decisions and that's why this book is so interesting! The story deals with Jonas who is at the age of 12 and who has the most honored job in the community called "Receiver", which means that he receives the memories of the past of the community, which are given to him by the "Giver". On account to the hardness of his announcement, he escapes from the community to search "Elsewhere"...in the end he arrives there! I want to recommend this book to everyone.
