## **REVIEW OF ICAEW PAST EXAM QUESTIONS AND ANSWERS**

- THE DAY THE WORLD CAME TO TOWN is a little book with a huge story to tell

about that September day in 2001, when 38 jetliners, carrying over 6500 souls (plus a small zoo of animals in their holds!) came home to roost on an island with its own time zone in a land of Good Samaritans, because the world as we knew it had changed forever. RebecasReads recommend THE DAY THE WORLD CAME TO TOWN as one of those immense stories from our collective 9/11 experience of how our neighbors to the north took us in & cared for us. It is also the modern global interconnectedness that glows from Jim DeFede's gathering of the strands of people's lives into a braid of fear, compassion & gratitude.

- I had the opportunity to visit Gander, Newfoundland the end of August 2003. During that time I met with some citizens from Gander. They shared their story about 9-11 with me and my travel companions. I was awestruck by the enormity of the problem that greeted them and by their humble shoulder shrugging response when this is pointed out to them. Mr. Defede has done a remarkable job of capturing the giving spirit of these people. The way they responded to this crisis is unbelievable. This book will help me to always remember my trip and the people of Gander.
