REVIEW OF BUSINESS STATISTICS FOR CONTEMPORAR Y DECISION MAKING SOLUTIONS

- Hey to all you readers who look for a good laugh and a scheme of passion, romance, giants, chases, escapes, true love, and of course miracles. I could not recommend a better book for this. Mind you, the humor is dry, so

don't expect to be immediately hysterical. Overall, this book has always been my favorite fairy tale since the 5th grade and even if you have already seen the movie, the book is twice as fantastic.

- I bought this book as a gift for my sister and I ended up reading it before I gave it to her. All I can say is that it was the most fun I have ever had reading a book in my entire life.
