## **REVIEW OF KILL BIN LADEN A DELTA FORCE COMMANDERS ACCOUNT OF THE HUNT FOR THE WORLDS MOST WANTED MAN**

- Navarrone Santee is the small town Chief of Police. Dr. Erin Hayes was the woman returning to town to

work with her grandfather. Navarrone is instantly attracted, but is intrigued by the obvious shadows the lovely doctor carries with her from a painful past. When he discovers her secret, he is nothing but gentle and patient in his attempts to forge a relationship. In this book, Navarrone is a wonderful strong hero who wants nothing more to protect this woman he's fallen for. But at the same time as she is suffering, Erin projects a very strong women image, and you really feel for her. I found this book very satisfying and found myself wishing I could find a Navarrone of my very own! I highly recommend it to everyone!Cyndi

- Whyte continues a familiar story with

quite a different approach. Merlyn Brittanicus continues his tireless journey to make a High King out of young Arthur but finds his carefully thought-out plans disrupted by his long time nemesis Peter Ironhair. Consumed by his deep hatred for Ironhair, Merlyn set out to destroy his enemy once and for all at all costs. If you have read the first books of the series, you will remember Publius Varrus' similar determination when he dealt with Seneca. This final chapter manages to provide a seemingly logical ending to the Camulod Chronicles series. However, you get the feeling that Whyte tried too hard to link too many of the past events from his earlier five books to

this final book so that he gloss over certain events. That just leaves readers feeling that something is missing. Certainly, it does not give you the same feeling as when you finish reading Book One - The Skystone. For those readers who prefer a more wholesome ending to the Arthur / Merlin story, Mary Stewart and Bernard Cornwell's series are highly recommended.
